

Using Jackpot on the Super Shuffle

Jackpot is an optional game setting for use as a promotional tool. Only one Jackpot promotion can be running at any one time.

Turning on Jackpot on the Super Shuffle

Setting up Jackpot is done from the Setup Menu. Follow the instructions below:

1. Press the Service Button to enter the **Setup Menu**.
2. Select **Machine Setup**.
3. Select **Jackpot Setup**.

4. Select **Create New Jackpot**.
5. Select and choose desired game.
6. Put in how many credits the **Jackpot Price** will be. Remember, this is the money that gets put into the pot. The more players that play the bigger the pot. By default, it's set as the same amount for a normal game cost for one player.

Note: The Jackpot Price is in addition to the price of a regular game.

7. Enter in **Starting** and **Ending Date** for the promotion.
8. Figure out the **Split Percentages**. There will only be three winners for the Jackpot. Choose the percentage of the Jackpot 1st, 2nd and 3rd place. The total must equal 100%.
9. Select **Save Jackpot and Return** to save your Jackpot settings and start the promotion.

Once a player puts money in for the Jackpot promotion, it cannot be edited or deleted.

What to do When the Jackpot Promotion is Over

Once the promotion has concluded, you will need to go back to the machine to finalize and pay out the promotion. Once the promotion has been “payed” out. The winners names will be displayed in a special attract mode screen and you can setup another promotion.

1. Press the Service Button to enter the **Setup Menu**.
2. Select **Machine Setup**.
3. Select **Jackpot Setup**.

4. Select **Pay Out**. This will close the current Jackpot and create the “Jackpot Winners” screen for the players that won.

Once the Pay Out is done, you can create a new Jackpot promotion.

Viewing Jackpot History

By selecting **View Jackpot History** you will be able to see all of your old Jackpot promotions. The history displays the winners, how much the pot was, how much the players won, the profit from the promotion, the game that was played and how long it lasted.

The Jackpot Winners Screen

The Jackpot Winners screen is displayed after the Jackpot promotion is paid out, and an operator screen will be created that displays the three winners of the Jackpot promotion.

The ad will display their names and their score. The ad is displayed until the next Jackpot ends.

If another Jackpot promotion isn't running, the ad will be displayed for thirty days.
